List of national centres for the official evaluation of analytical methods in milk recording

The information was established from the replies of the questionnaire on AQA/AQC in ICAR countries in 2001 and the last updates of the information on ICAR Reference Laboratory Network members. It does not express an ICAR evaluated qualification.

Member of ICAR RLN Non member of ICAR RLN c = cow milk s = sheep milk g = goat milk

Country	NAME	Address	Town	Questionnaire 2001	ICAR RLN 2005
Austria	AMA - Agrarmarkt Austria	Dresdnerstrasse 70	A – 1200 Wien	c	
Belgium	Centrum voor Landbouwkundig Onderzoek – Gent Departement Kwaliteit van Dierlijke Producten en Transformatie-Technologie	Brusselsesteenweg 370	B-9090 Melle	c	c
